Experience

The Garrigan Lyman Group

Aug, 2014 - Present

Concepting, Visual Design, Illustration, Motion

Completed a broad range of work for Fortune 500 clients, like T-Mobile, Starbucks, and Microsoft. Responsible for conceptual thinking as well as execution of ideas for web, print, advertising, and emerging tech. Worked closely with creative leadership and lead members of my team to successfully execute concepts.

Fell Swoop

July - Aug, 2014

Visual Design, Illustration

Completed visual design and spot illustrations for Facebook. Created sketches, wireframes, and high-def mockups to show proof of concept. Worked closely with Creative Director, Design Director, and other members of my team to bring designs from ideation to completion.

Blink UX

May - June, 2014

Visual Design, Illustration

Completed visual and interactive design for Blink's new website. Worked with Creative Director and other team members to develop strong concepts (sketches, wireframes). Used Illustrator and Photoshop to refine concepts and deliver pixel-perfect designs and specs for hand-off to developers.

MmmHmm Coffee

May, 2014 - May, 2015

Branding, Print, Illustration

Worked with founders to develop a creative brand strategy. Used Illustrator and Photoshop to bring brand concepts from sketches to finished designs, custom illustrations, and print collateral. Worked with various vendors to develop print materials and merchandise to be sold by MmmHmm Coffee.

Guido's

Dec, 2013 - Jan, 2014

Branding, Print

Used sketches and Illustrator to create rebranding options for this coffee shop. Worked with owner to develop a brand that was both commercially appealing and that he felt ownership of. Worked with various vendors in a short time frame to develop merchandise (shirts, mugs, etc.) to be sold by Guido's.

St. Charles Dentistry

July, 2013 - Jan, 2014

Branding, Print

Developed full branding for this new dental practice. Used Illustrator and Photoshop to develop logo, wide range of print collateral, and 3D mockups of exterior signage. Worked closely with many vendors to create exterior signs, branded water bottles, postcards & other materials.

Happy Girl Granola

Oct - Dec, 2013

Branding, Print, Packaging

Used detailed sketches and Illustrator to fully flesh out brand concepts. Successfully used Pinterest to help owner communicate ideas and inspiration. Used Photoshop to mock up packaging and worked with vendor to produce final design.

Smile Shiawasee

July - Oct, 2013

Branding, Print, Web, Social Media

Worked closely with this dental non-profit to develop an uplifting brand that would go hand & hand with better oral health. I used Illustrator to develop logo & print collateral and developed a website on the Wordpress platform. Developed graphics for Facebook page using stock photos, Illustrator, and Photoshop.
